

Block 2 – Star points paper pieced pattern (4-1/8” block)

Copy as many templates as you need for your quilt. If possible, print on newsprint paper, which tears off easily, and won't disturb the stitching.

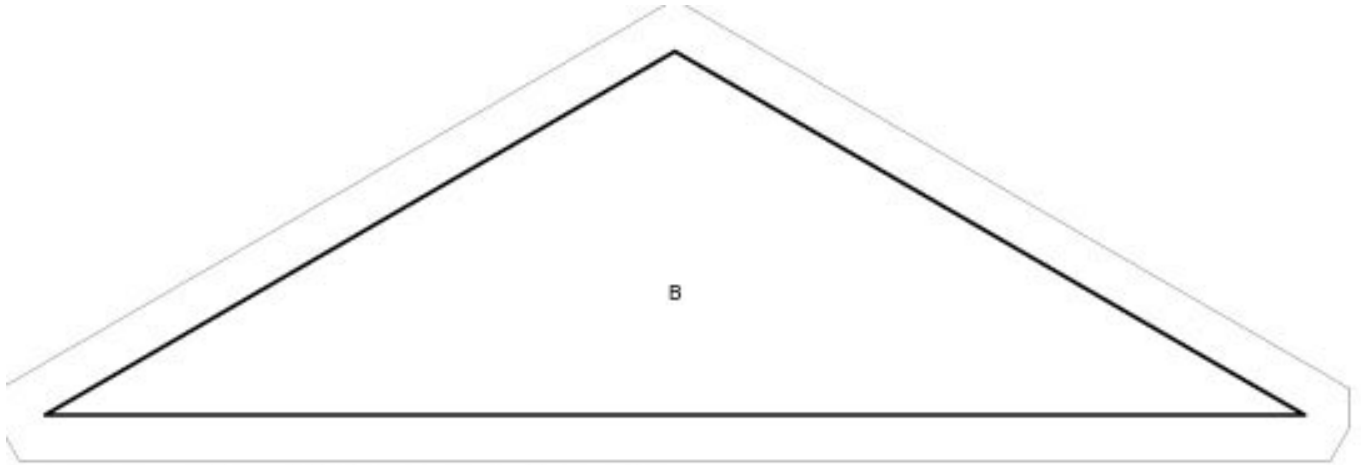

If you need help with paper piecing, refer to a favorite book or search "foundation paper piecing" online for instructions for this technique.

Cut 4" X 7-7/8" 60 degree angles

Border Block – top and bottom center
